About Able Access Certified Aging-in-Place Specialists

We can help you stay confident and independent, by staying active and safe at home. We install grab bars, wheelchair ramps, door handles, light fixtures, bathroom enhancements, kitchen modifications, and much more. Visit [Ableaccess.net](http://Ableaccess.net) site for a FREE Aging-in-Place Home Inspection Survey — it's your next step to a safer home!

The risk of falling increases with age. Falls are the leading cause of death from injury among people 65 and older. After a fall, a person's independence is drastically reduced. At Able Access our goal is to help clients live confidently and comfortably at home. We collaborate with our clients to design and implement sensible home modifications that create a safe environment for independent living. We are committed to transparent pricing and overall excellent service. We are polite, good-humored professionals. We are committed to working safely, efficiently, and leaving our work areas neat and tidy.

### About ATI Advisory

ATI Advisory (ATI) is a DC-based advisory services firm that helps business and government leaders transform care delivery for frail older adults and their families. ATI's work breaks down the public and private sector barriers that prevent innovative solutions to silo-ed, broken systems across acute, post-acute, and long-term services and supports. ATI conducts research, develops new ideas and insights, and leads change.

**ATI Focus Areas:** Strategy, Market Assessment, Data Analysis, Innovation

### About MyNurse.ai

MyNurse.ai helps seniors stay connected to their doctors from home. As a member, you get devices like a blood pressure or blood sugar monitor and can have your readings automatically forwarded to your doctor for review. Meanwhile, expert nurses monitor your progress and check in with you via phone call or text to offer health tips and answer questions. No smartphone or internet connection is required, and if you're on Medicare, you pay nothing out of pocket with supplemental insurance.

### About Onward Rides:

Onward provides compassionate assistance to those who need it. All of our drivers are highly vetted and are certified in CPR and First Aid. They are also trained on elderly specific needs like communicating with dementia patients and how to transfer someone out of a wheelchair. We offer door-to-door and door-through-door rides, and the Onward Concierge offers white-glove customer service with every ride. Due to Covid-19, we have implemented increased safety requirements to ensure both rider and driver safety. Our drivers have been provided with hand sanitizer and masks for all rides and riders. Learn more and order a ride at [OnwardRides.com](http://OnwardRides.com) or by calling us at (510) 771-7171.
