

You are invited to
Village Movement California's
third annual statewide convening

Reimagine

June 15 and 16

9:00 a.m. -- 12:00 p.m.
via Zoom

The COVID-19 pandemic has reinforced villages' value as lifelines to the vital connections, services, and expertise that support healthy aging. It has also changed how we do business. The "new normal" will require our collective ingenuity, passion, and hard work. Let's take some time to reimagine our villages and our movement, and celebrate our resilience.

Join us for two days of learning and discussion about reframing aging, building communities of belonging, designing the post pandemic village, and financial sustainability.

DETAILS

Online registration available at
www.villagemovementcalifornia.org
or by clicking [here](#)

Registration fees:

Individual registration - \$75 for two days
(one day registration not available)

Group registration - \$200 for four people

AGING.
BETTER.
