

Keep Reading with Free Devices, Audiobooks, Magazines & MORE!

Thursday, February 9, 2023 10:00 – 11:00 AM

Did you know there is a free library for those with low-vision and/or physical limitations that prevent them from reading traditional print or holding heavy books?

Staff of Nor Cal's Braille and Talking Book Library and So Cal's Braille Institute Library will explain how to apply for free offerings ranging from an easy-to-use audiobook player to a smartphone app to books in braille, music, and magazines.
